

Effective 1st Jan 2017
Tekmark is Keysight Sole
Authorized Technology Partner
in Malaysia

Dear Valued Customer & Business Partner,

We are pleased to announce that effective Jan 1, 2017 Tekmark will be the SOLE Authorized Technology Partner (ATP) for Keysight in Malaysia, serving all the industries in addition to our existing Commercial/ Manufacturing sector.

This unification of all the industries solely under Tekmark further reinforce the strategic partnership between Tekmark and Keysight so as to better serve our customers by optimising on our expanded resources.

To our existing customers, we value the confidence you have placed in Tekmark and thank you for your continued support for the past 22 years, now and for many years to come. To our new customers, we are honoured and look forward to serving you with our unique selling proposition of Excellent Value Added Customized Services towards a win- win partnership.

Last but not least, on behalf of Tekmark's management and staff, I wish you and your family a Happy, Healthy and Successful New Year 2017!

Thank you.

Your's Sincerely,

Dato' Ralph Khor
Group Managing Director
